PROFESSIONAL SUMMARY

Entry-level Software Engineer with hands-on experience building web applications and REST APIs using Python, JavaScript, and SQL. Strong foundation in data structures, algorithms, object-oriented programming, and debugging. Enjoys writing clean, maintainable code and collaborating to deliver practical software solutions.

TECHNICAL SKILLS

Programming: Python, Java, JavaScript
Web: HTML5, CSS3, React, Node.js, REST APIs
Databases: MySQL, PostgreSQL, MongoDB
Tools: Git, GitHub, VS Code, Postman, Docker (basic)
Core Concepts: Data Structures & Algorithms, OOP, DBMS, Operating Systems, Agile

PROJECTS

Task Management Web App | React, Node.js, Express, MongoDB

- Built a responsive task management application with user registration, login, and CRUD features.
- Designed REST endpoints and stored user and task data in MongoDB.
- Used Git and GitHub for version control and documented setup instructions.

Personal Portfolio Website | HTML, CSS, JavaScript

- Developed a mobile-friendly portfolio to showcase projects, technical skills, and contact details.
- Improved accessibility with semantic HTML and clear navigation.
- Published the website using GitHub Pages.

Student Result Management System | Python, MySQL

- Created a simple application to add student records, calculate grades, and retrieve results.
- Used SQL queries to manage records and validate user input.

EDUCATION

Bachelor of Technology in Computer Science and Engineering
Example Institute of Technology, Bengaluru | 2022 – 2026
CGPA: 8.2/10 (replace with your actual result)

INTERNSHIP / EXPERIENCE

Software Development Intern | Example Technologies, Bengaluru

May 2025 – July 2025
- Assisted in developing and testing application features under the guidance of senior developers.
- Fixed minor bugs, reviewed API responses, and participated in team stand-ups.
- Wrote basic unit tests and updated technical documentation.

CERTIFICATIONS

- Python Programming – Example Learning Platform, 2025
- Full-Stack Web Development – Example Learning Platform, 2025

ADDITIONAL INFORMATION

Languages: English, Hindi
Availability: Open to entry-level Software Engineer / Graduate Developer roles

Sample resume for reference only. Replace all names, contact details, education, dates, skills, projects, and achievements with accurate information. Keep the final resume to 1–2 pages and include only skills you can confidently discuss in an interview.
